

LIFETIME ACHIEVEMENT AWARD  
FOR DR. VIDYA KORA

**HON. PETER J. VISCLOSKY**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 5, 2017*

Mr. VISCLOSKY. Mr. Speaker, it is with sincere admiration that I recognize the Indian Medical Association of Northwest Indiana, which will host its 36th Annual Gala on Saturday, September 9, 2017, at the Halls of Saint George in Schererville, Indiana. The Indian Medical Association of Northwest Indiana has always been an outstanding asset to Northwest Indiana. Its members have dedicated themselves to providing quality medical services to the residents of Northwest Indiana while focusing on compassion for others, improving patient care, and lighting the way for change.

At this year's Annual Gala, the Indian Medical Association will present the Lifetime Achievement Award to one of Northwest Indiana's finest citizens, and my good friend, Dr. Vidya Kora. For his outstanding contributions to his community, he is to be commended.

As a young boy in India, Vidya Kora's passion for his field emerged, leading him toward a lifetime of service in the medical community. It was after completing his studies at Gandhi Medical School in Hyderabad, India, in 1978, that Dr. Kora came to the United States. He completed his internship at Edgewater Hospital and Medical Center in Chicago, followed by his residency in internal medicine at Chicago's Cook County Hospital. Dr. Kora was selected to serve as chief resident from January to July of 1986. Upon completion, he joined the team at the Marion VA Medical Center in Marion, Illinois, where he served our nation's veterans.

Dr. Kora's remarkable résumé reflects not only his profession but also his devotion to public service. As a member of the Indiana Medical Association, he has served on its Commission on Legislation, as both Vice-Speaker and Speaker of its House of Delegates, and as the President of the Indiana State Medical Association from 2006 to 2007. He is also a current delegate to the American Medical Association. A tireless advocate for the improvement of his community, Dr. Kora is also a board member for Unity Foundation of LaPorte County and chairs the Northern Indiana Regional Board of the Franciscan Alliance. He has further served the residents of Michigan City and LaPorte County in numerous capacities. He has been a board member for the Michigan City Area Schools and served two terms as LaPorte County Coroner, while also completing two terms as LaPorte County Democratic Chairman. Dr. Kora has continued to seek an improved quality of life for his community while in his second term as LaPorte County Commissioner. As a public servant, Dr. Kora has always sought the betterment of our nation's health care system, so it is no surprise that he is also very active in the American Medical Association and Board of Indiana Medicine's political action committees.

Dr. Kora's passion for medicine and commitment to the people he serves is exceeded only by his devotion to his wonderful family. Dr. Kora and his loving wife, Sudha, have one daughter, Shilpa, and one son, Rishi, both of whom are physicians specializing in internal

medicine and have made their parents very proud as they follow in their father's footsteps.

Dr. Kora is committed to his family, to improving the lives of the patients he treats, and serving selflessly to enhance the quality of life of all those who live in Northwest Indiana. His is a life we should all seek to emulate. It is an honor to call Dr. Vidya Kora my friend.

Mr. Speaker, I ask that you and my other distinguished colleagues join me in commending the members of the Indian Medical Association of Northwest Indiana, as well as this year's Lifetime Achievement Award recipient, Dr. Vidya Kora, for their outstanding contributions to the medical field, as well as to their communities and beyond. Their unwavering commitment to improving the quality of life for the people of Northwest Indiana and throughout the United States is truly inspirational, and I am proud to serve as their representative in Washington, D.C.

IN HONOR OF SIRVART  
HOVNANIAN ON THE OCCASION  
OF THE 30TH ANNIVERSARY OF  
SAINT STEPANOS ARMENIAN AP-  
OSTOLIC CHURCH

**HON. FRANK PALLONE, JR.**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 5, 2017*

Mr. PALLONE. Mr. Speaker, it is my privilege to recognize Sirvart Hovnanian as she is honored by Saint Stepanos Armenian Apostolic Church in Elberon, New Jersey with an award to be presented by His Eminence Archbishop Khajag Barsamian. I would also like to join with the Saint Stepanos parish in commemorating the 30th anniversary of the church and marking the 60th anniversary of the formation of the Armenian parish in Elberon.

The Saint Mary Church parish in Elberon began 60 years ago, with 25 members worshipping during summer services. As the Armenian population in the area continued to grow, Kevork and Sirvart Hovnanian saw a need for a larger and rejuvenated place of worship. Born of the vision and philanthropic support of the Hovnanians, Saint Stepanos Armenian Apostolic Church stands on the site of the former Saint Mary Church. Saint Stepanos was consecrated on June 14, 1987 and the church hall was named "Kevork and Sirvart Hovnanian Hall" in honor of the benefactors.

Sirvart Hovnanian is a beloved mother, grandmother and great-grandmother and carries on the philanthropic spirit she shared with her husband. Sirvart, along with her late husband, has always recognized the meaning of generosity and has spent her life working to make a difference in the world. An esteemed member of the Armenian community and a passionate philanthropist, Sirvart has been a supporter and partner in the many charitable endeavors undertaken along with her late husband, including the establishment of The Fund for Armenian Relief following the country's 1988 earthquake, the building of the Alton A. Hovnanian Emergency Care Center at River-view Medical Center, and the donation of the K. Hovnanian Children's Hospital at Jersey Shore University Medical Center, among many others.

Mr. Speaker, I sincerely hope that my colleagues will join me in recognizing Saint

Stepanos Armenian Apostolic Church, the Armenian parish of Elberon and Sirvart Hovnanian for their continued support of the Armenian people and culture. I know that I join with all who know Sirvart in expressing my sincere gratitude for her warm and giving nature and her immeasurable contributions to our community.

Ms. VELÁZQUEZ. Mr. Speaker, I rise to honor the life and achievements of Ms. Dorothy Shields who was a tireless advocate for the community of Red Hook, Brooklyn.

As a resident and community advocate, Ms. Shields played numerous roles in bettering the lives of Red Hook's citizens. As Resident Association President of Red Hook Houses East for 37 years, she was a voice for tenants' rights and many of the most vulnerable community members. As an advocate for community development and job creation, Ms. Shields was instrumental in luring new businesses to Red Hook.

Ms. Shields was also a dedicated public servant who spent time working for the New York City Housing Authority (NYCHA) as a community service aide and for the New York City Board of Education as a paraprofessional.

Mr. VEASEY. Mr. Speaker, I rise today in recognition of Robert Hughes, local Fort Worth legend, for helping to bridge the divide of the segregated college basketball community in Texas and for his commitment to developing all-star athletes on and off the court.

Robert Hughes was born May 15, 1928 as the youngest of five brothers. A phenomenal man who served our country during the Korean War, Coach Hughes is widely recognized for his successful basketball career. Hughes played college basketball at Texas Southern University. In 1955, he was drafted to the Boston Celtics, but instead played for the Harlem Magicians. During his time with the Harlem Magicians, Coach Hughes ruptured his Achilles tendon and began his legendary coaching career.

From 1958 to 1973, Hughes coached the then-segregated Fort Worth I.M. Terrell High School basketball team, with an astonishing record of 378–84. The I.M. Terrell team played in the Prairie View Interscholastic League
